

Hub Named Recipient of Two 2021 Gold Pyramid Awards

Braintree, MA, December 28, 2020: HPG's Hub has been named a recipient of two Promotional Products Association International (PPAI) 2021 Gold Pyramid Awards. This is the fifth consecutive year the pen supplier received the Gold Supplier Star in their revenue category. The pen supplier also received the Gold Pyramid in Marketing for their rebranding.

Since 1958, the PPAI Pyramid Awards have recognized and honored promotional products businesses and helped shine the spotlight on the collaborative business model unique to the industry. Winners are recognized for outstanding service in areas such as responsiveness, on-time shipping, product quality and sales aids.

"We are delighted to win the Gold Supplier Star once again, this one feels extra special considering the year we've all had," says HPG Marketing Director Ben Pawsey. "As always, we are extremely grateful to our customers and PPAI for the opportunity and recognition. Hub's name has stood for high-quality products and exceptional service for over 65 years, so it was a privilege for our HPG Creative team to be entrusted with the rebrand. We designed a fresh look to match the vibrance of the team behind making Hub the award-winning staple of the industry it is today."

Winners of the award selected by a panel of industry professionals and independent, outside marketing and advertising professionals. For more information about the PPAI Pyramid Awards program visit www.ppai.org/awards or contact the PPAI Awards and Recognition department at awards@ppai.org.
